### Verse 1

                  A  
How could I stand here  
                                  Bm7  
And watch the sunrise  
                  F#m7          E  
Follow the mountains  
                                  D  
Where they touch the sky  
                  A  
Ponder the vastness  
                                  Bm7  
And the depths of the sea  
                  F#m7  
And think for a moment

E  
The point of it all  
                                  D  
Was to make much of me  
                          F#m7  
'Cause I'm just a whisper  
                          Am/F  
And You are the thunder

Verse 2  
And how can I kneel here  
And think of the cross  
The thorns and the whip  
And the nails and the spear  
The infinite cost  
To purchase my pardon  
And bear all my shame  
And think I have anything worth boasting in  
Except for Your name  
'Cause I am a sinner  
And You are the Savior
